MEMORANDUM FOR: Mr. Richard Cheney
FROM : B. C. Evans

Returned herewith are Mr. Bennett's memorandum and list of names which we received on 25 September. None of the individuals listed have been employees of the Central Intelligence Agency. Fifteen were normal liaison points of contact by virtue of their official positions; 13 were sources of information on different occasions; two have been used by the Agency as one-time consultants; and one served on an Agency panel. If you desire, I will be glad to brief you orally on any of these associations.
